

**DID YOU KNOW... that the infernal No Child Left Behind Act has a sneaky Pete section requiring high schools to turn over student information to military recruiters, or lose their federal funding?**

Any way you look at it, this is a family privacy nightmare, another strong-arming of our local schools, and a creepy warm-up to the Draft. Dive in with the MMOB, Working Assets and ACORN at [www.leavemychildalone.org](http://www.leavemychildalone.org):

1. **SIGN ON** as a citizen co-sponsor of US Representative Mike Honda's Student Privacy Protection Act.
2. **OPT OUT** your own child, or help spread the Opt Out tools to friends and family.
3. **ADOPT-A-SCHOOL-BOARD** by downloading everything you need to know to help your local schools do it right.
